### 10 x 5 x 13 Serrated Edge Shopping Bag Template

Please see In-Line Flexo Art Guidelines before beginning. Bag height on template is shorter than actual finished bag height. This is not an error. It is a requirement allowing for flexographic plate thickness and cylinder mounting.

**Please work in named/specified spot colors. Three color maximum.**

Toggle Information layer visibility off for clear view of template outlines for design work.

Dashed lines represent creases/folds.
